

Expression of Interest (EOI) for Vendors - PM-Surya Ghar : Muft Bijli Yojana Scheme (PMSG)

Ministry of New and Renewable Energy (MNRE), TGDISCOMs and TGREDCO - invite interested individuals / firms / companies to become a Registered Vendor under PM-Surya Ghar: Muft Bijli Yojana, an initiative promoting solar/green energy generation at millions of households.

Scheme Highlights:

- 1 Crore Residential Rooftop Solar Installations by March 2027
- Potential Market Size: ₹ 1,45,000 Crore
(Based on benchmark cost for 1 crore installations of 3KW)
- Central Financial Assistance (CFA): Up to ₹78,000 per household

Vendor Support and Growth:

- Expanding Market Opportunity: The scheme boasts a robust market with over 8,000 vendors and aims to **expand further, with a need** to expand fast, up to 25,000 vendors at the National level.
- Potential in Untapped Markets: In addition to the existing high-growth districts such as Hyderabad, Rangareddy, and Medchal-Malkajgiri, the remaining districts of Telangana state offer significant untapped market potential. Exploring these areas could lead to substantial opportunities for growth and development.
- TGREDCO Support to Vendors: TGREDCO Vendor Management section actively supports vendors through interactions, dedicated email support, and capacity-building programs.

Your Role as a Vendor:

- As a registered vendor, you will play a pivotal role in the entire lifecycle of rooftop solar installations, from system design and component supply to installation, commissioning, and Comprehensive Maintenance Contract for 5 years.
- The scheme ensures a streamlined process through the National Portal for efficient implementation. The government is dedicated to enhancing the vendor experience by addressing concerns, providing clear guidelines, and simplifying processes.

Express Your Interest:
